# ABOUT US

"Dreamy Droshky" story begins with a man having lofty ambitions to build an empire. Mr. Amit Anand [ Dreamy Man ], Dreamy Droshky's CMD [ Chairman & Managing Director ], is the guy behind the company's vision.

Dreamy Droshky evolved significantly from a single man's fantasy to a fantasy shared by millions. It is a more than a decade-old organization that began by assisting India's economically deprived people through health, education, and financial aid.

The trust was created in 2010, and Dreamy Droshky Marketing Pvt Ltd was constituted in 2018 with the intent of giving financial stability to all associated Dreamy Droshky members.

Dreamy Droshky is the first e-commerce company that comes with the concept of Dreamy Marts across India to establish a dynamic business model in India.

Dreamy Droshky refers to the people's and nation's economic competitiveness. Our greatest achievement is not in never falling, but also in rising from every setback. That is why we refer to it as a revolution rather than a business model.

Dreamy Droshky promotes all Indian small and large scale businesses, assisting them in their expansion.
